# The eye-opening

Discount programs are rate-access programs and may be in addition to any plan benefits. Discount and other similar health programs offered hereunder are not insurance and program features are not guaranteed under the plan contract and may be discontinued at any time. Program providers are solely responsible for the products and services provided hereunder. Aetna does not endorse any vendor, product or service associated with these programs. It is not necessary to be a member of an Aetna plan to access the program participating providers. Discounts offered hereunder are not insurance.

See your way to savings! It's easy with the **Aetna Vision discount program**. You'll pay less for eyeglasses, contact lenses ... even LASIK! You'll also save on eye care items not typically covered through your health plan. So you can buy eyeglass chains, designer frames, sunglasses and lots more — for lots less.

Plus, you enjoy:

- No referrals
- No waiting for reimbursement
- No limits to how often you can use the program

You save on the spot every time you buy a product or service from one of our many program locations.

## Choose from thousands of locations\*

It's easy to find a location with thousands of national chains, like:

- Pearle Vision® Centers
- Sears Optical®
- LensCrafters®
- Target Optical
- JCPenney Optical®

Plus, you can go to many eye doctors in private practice. To find a location near you, go to [www.aetna.com](http://www.aetna.com). Or call **1-800-793-8616**.

## Great rates on eye exams

A routine eye exam does the eyes — and the body — good. They are the #1 way to find eye problems like glaucoma or astigmatism. They can also uncover the signs of diabetes, high blood pressure and other medical issues early, before they become bigger problems.<sup>1</sup>

■ *If you **aren't** covered for eye exams through your health benefits and insurance plan:* Most locations have doctors of optometry onsite or nearby. So you still can get a great rate of \$42 on eye exams with this program.

■ *If you **are** covered for eye exams through your health benefits and insurance plan:* You can use this program if you need an additional eye exam not covered by your plan. You pay only \$42. But check your plan documents first. Your costs could be lower if you follow your plan's requirements.

# choice for healthy vision

## How to save on eye exams and eyewear

- **Book** — Schedule an eye exam.
- **Browse** — Choose from designer frames and the latest in lenses.
- **Save** — Show your Aetna ID card for instant savings.

Remember — you can save on eye care items that don't need a prescription. Just stop in any program location — and save, save, save!

## Contact lenses ... sent straight to your doorstep!

Lost a lens? It's easy to get a new pair by mail. Just buy your first pair of prescription contact lenses. Then call our mail-order center at **1-800-391-LENS (5367)** to get a new pair.

## Get LASIK for less

If you have ever considered LASIK, you'll love these savings! You get a consultation, screening, surgery and follow-up care. All for one affordable package price! Something else to love: The consultation is always free. Even if you do not have the surgery.

### To get started:

1. Call the U.S. Laser Network at **1-800-422-6600**. The rep can help you find a doctor. He or she can also call the doctor to reserve your free consultation.
2. Still ready? Set up a date for surgery. Then call the U.S. Laser Network to find out how to pay your \$100 deposit. You get this money back ... even if you don't end up getting the surgery.
3. Save! Pay the entire bill before your surgery. Or check with your surgeon's office for an easy payment plan.

## What you save\*\*

(when you visit any participating location)
