IMPORTANT FORM W-9 NOTICE

Under Federal law every financial institution that pays you interest is required to have you certify 1) your Social Security number (or other taxpayer identification number) and 2) whether or not the Internal Revenue Service has notified you that you are subject to Backup Withholding Order on interest and dividends. **It is very important to you** that we have your **Social Security number (or other taxpayer identification number)** and **Backup Withholding status** certification.

Although everyone must file a certification like the form below (if you do not, the IRS can subject you to a \$50 penalty), you are not subject to a Backup Withholding Order unless you have been so notified by the IRS. If you do not file a certification, the IRS automatically requires all financial institutions to withhold at least 31% of all interest and dividends they credit to your account, and send the money to the IRS as a prepayment of your possible tax liability.

Please **immediately** complete the form below, sign it, and return it to us with the completed claim form. If you do not have a Social Security number (or other taxpayer identification number), it is easy to apply for one at a local Social Security office.

The Internal Revenue Service does not require your consent to any provision of this document other than the certifications required to avoid backup withholding.
